

FL301

This built-in speaker is flatter and more invisible than any of its predecessors. The frame has been reduced to just one millimetre, yet continues to score highly in terms of vibration absorption. The grille of the speaker is extremely finetuned and feels almost like silk. The sound is accurate, warm and carries a long way. A no-bones-about-it speaker.

The FL301 is not only discreet, it's also versatile. Here it's incorporated into a desk.

TECHNICAL SPECIFICATIONS

range	<50m ²
system	2-way
woofer	5,25" polypropylene carbon
tweeter	1" polycarbonate
amp power	20 - 120W (recommended)
sensitivity	87dB
